### DECLARATION OF COMPLIANCE GPSR

**Regulation (EU) 2023/988** on general product safety (General Product Safety Regulation; **GPSR**) contains essential requirements for the safety of consumer products that are placed or made available on the market. In particular, this also includes extended information obligations in the area of e-Com. From **13.12.2024**, as a retailer we are obliged **under Article 19 GPSR** to provide consumers with the following information in the product offer:

1. **Manufacturer identification** (please note in particular the new requirement to provide an electronic address, e.g. an e-mail address).
2. **Product identifiers** (according to current estimates, we already receive these to the required extent, so that no further information is currently required).
3. **Warning and safety information (if available)**
4. Declaration of compliance with product safety regulations and the provision of legally relevant information in accordance with the GPSR
5. The Partner warrants that the products supplied by it comply with the requirements of Regulation **(EU) 2023/988** on general product safety (General Product Safety Regulation; GPSR). This includes in particular the requirements contained in Article 9 (6) regarding the **manufacturer's labeling**, which must in particular also include a valid postal address.
6. The partner shall provide all information required under **Art. 19 GSPR** without being requested to do so and is liable for its completeness and accuracy.
7. In this respect, the partner guarantees the transmission of the information in the following languages (Please tick the available languages):

- |                                     |         |                                     |         |
